**Special Address at the  
OECD Symposium in  
Malaysia by Lusardi**

Director Lusardi offered a special address at the "Malaysia-OECD High-level Global Symposium on Financial Well-being," on September 30, 2015. The Symposium examined cutting-edge issues relating to the integration of financial education and consumer protection policies, with a view to enhancing financial well-being. As the Chair of the INFE's Research Committee, she spoke about the international research on financial literacy.
