IFFM 2018 BRUSSELS MEETING

Financial Education:

Global Perspectives and Challenges

Brussels, Wednesday 7 November 2018

(PUBLIC CONFERENCE)

Venue: Ateliers de Tanneurs, Huidevettersstraat 60A, Brussels

How can we boost financial resilience among the young and vulnerable? When we speak about financial education this is what we really are talking about. This public conference at the occasion of the 6th Annual Meeting of the International Federation of Finance Museums seeks to determine how higher levels of financial literacy can support economic prosperity under increasing complex economic conditions. Case studies from around the world, the impact of financial technology, updated academic insights, international cooperation and the interaction with the UN Sustainable Development Goals all will be addressed.
