# The Bank of Canada Museum's Learning Plan 2019 - 2021

---

Heather Montgomery

MUSEUM EDUCATION AND EVALUATION SPECIALIST

## So far....

- Opened July 1, 2017
- 62,220 visitors in 2018, already surpassed in 2019
- Three online lesson plans (2 more to come in 2019)
- New school programs: Surprise, It's Money!, Trading Planets, and Inflation Busters

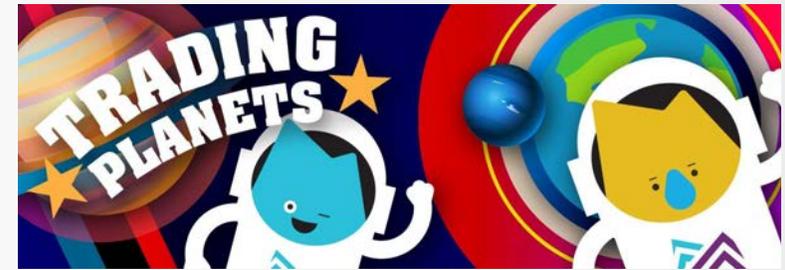

Does the economy matter to you?

What is a common currency?

# The Economy, Plain and Simple

## Welcome to The Economy, Plain and Simple

The economy starts with you

## Price Check: Inflation in Canada

Why prices change, and what it means for the economy

# 2019-2021 Learning Plan

## Guiding principles:

- Provide economic education across Canada
- Create building blocks for economic education, starting in primary and continuing to secondary and post-secondary
- Diversity, inclusion and accessibility
- Leverage partnerships

# 2019-2021 Timeline

- Online lesson plans (2019 and beyond)
- National Teachers' Survey (2019)
- School bursary program (2019 and beyond)
- Signature online resource about the functions of the Bank of Canada (2020)
- New school program on Indigenous economies (2021)
- Online versions of existing school programs, Inflation Busters and Trading Planets (2020-2021)

## 2019-2021 Timeline (cont'd)

- Create professional development opportunities for teachers (2019 and beyond)
- Plan for an online resource portal (2021 and beyond)
- Explore the potential of creating an annual teacher award for excellence in economic education (2021 and beyond)
